Please be in special prayer for those on our music ministry prayer list. Please be in special pray for Krista, Pat, and Ellen. Other individuals have doctors appointments, going through challenges, etc. Please pray for those coming each week to church and that we personally will grow as worshipers of Jesus.

Thank you to Trevor and our media team for doing such a good job weekly!

Thankful. Audience of ONE is what drives everything we do... lifting up the name of Jesus and pointing our congregation to Him.
